Meet Your AMBUC

Our lunch event was a simple one...meet one another in the annual 'Meet Our AMBUCS.' It's always an eye-opening program, as members use the lunch period of the meeting to collect information on the person seated to their left.

Needless to say, it was a very entertaining, kind of like a group therapy session. Better yet, it must have been akin to spending a month at the Betty Ford Center, completing drug or alcohol dependency rehabilitation.

Quite informative and really funny. We do have a great group of folks in the club, and some very creative ones. You figure that one out ('Trade-in's, upgrading, etc.).

Membership

The membership committee is currently updating the membership list, you will be getting a call soon to review your data. Once it has been updated it will be available via email or printed document. For more information contact Richard Woodard woodard@soltec.net or Donna Carlton Vish donna@heritagedevelop.com.

AMBUCS Notes

Bob Richard requested that anyone who still has their copy of our national AMBUCS magazine please bring it to the meeting and donate it to the Danville High School Advocates Club. They were featured in the magazine.

Jeff Saylor told us that the Summer Sounds sponsorship spots are filling fast and we're ahead of last year. Also, the committee may need some help with the Advocates night, i.e, what band to have play at the event. The committee meets 'noon-ish' on Fridays at the Java Hut in downtown Danville. The first concert of the season will be held on June 13.

Spring Training will be held on Friday, May 2 at the Day's Inn. A potluck is possible. Stay tuned for the time of the training session

AMBUCS History

Bill Pearson Defines...

National Executive Secretary Pearson devotedly served for more than 19 years, instituting new changes in the association's constitution and bylaws and produced a bi-monthly AMBUCS magazine. Later, the publication was changed to quarterly, due to Pearson's many other duties for the association.

Durint this period, the association's name was also changed, to the National Association of American Business Clubs (AMBUCS).
